St. Martinville, LA 70582
Thursday, Oct. 23, 2008 * 6:00 p.m.

Contact person: Brenda C. Trahan Phone (337) 394-2258

Event Narrative

This presentation will consist of an audio interactive journey through time to the period of the Acadian people in North America. It will showcase six journeys of ten Acadian families thrown out of their homes in 1755. The date of these odysseys occurred from 1764-1809. This audio interactive presentation will connect these individual stories to the broader story of the Acadians as a people and what became of their culture.
